To qualify for the **Preferred** premium, all answers to questions 1 through 9 on the Application must fall under the **Preferred** column. Add PUP Special exposure charge(s) to the premiums above as follows: If the response to question 5 is the only response falling under the PUP Special column, add the PUP Special exposure charge(s) to the Standard premium. If the response to questions 1-9 (except question 5) falls under the PUP Special column, add the PUP Special exposure charge(s) to the Standard II premium. If any response to questions 11-15 is greater than 0, first determine the rating tier based on questions 1 through 9 and then apply the PUP Special exposure charge(s).

Standard II premiums are **NOT** available if there are drivers age 70 and older in the household and the response to Questions 8 or 9 falls under the **Standard II** column.

Add \$25.00 per Antique/Classic/Collectible vehicle to the premiums above (count not to exceed 25). Antique/Classic/Collectible vehicles should not be included in the count for Number of Licensed Vehicles when determining the rating tier.
